To Whom It May Concern:

Ambary Gardens, the manufacturer of **99% Pure CBD Isolate, CBD Hemp Extract Cannabidiol Tincture, and Nano-Encapsulated CBD Hemp Extract**, industrial hemp-derived products, has submitted written information to the Public Health Inspections Division of the Denver Department of Environmental Health ("the Department") regarding their manufacturing facility and processes. The submitted information was reviewed to determine if Ambary Gardens' manufacturing facility operates under comparable sanitation standards as is required for Denver food manufacturers. Based on the submitted information, the Department considers Ambary Gardens' manufacturing facility in Kittredge to be an approved source facility that appears to meet minimum standards set forth in the Denver Food Establishment Regulations.

Ambary Gardens is approved to sell the above noted food products in Denver. Any changes to the production facility or processing of the above noted products may result in a change to this approval. Furthermore, approval may be rescinded or conditions adjusted at any time if new information becomes available about risks of the product. Any changes to the processing facility or the above noted product must be submitted in writing and approved in advance by the Department for continued approval to sell the products in Denver.

Please note that the jurisdiction of this Department applies to the City and County of Denver only, and the scope of this approval applies to Ambary Gardens products sold in Denver. This Department has no direct jurisdiction over the Ambary Gardens Cultivars manufacturing facility in Kittredge.

The Department recommends maintaining this approval available upon request and providing a copy to Denver businesses where the product is sold. A second copy will be maintained on file at the Department.
